Sidenote 6

*[School Gang Leader
and the Kato Family]*

Sidenote 1, which appeared in Volume 1, was originally published in the November 2006 issue of *Lala DX*, and this (Sidenote 6) was published in the special November 2006 issue of *Lala DX*, marking the one year anniversary of *My Beloved School Gang Leader!*

It has been a year since I did a *DX* serial, so I had put extra effort into it. The first chapter was drawn with a lot of sweat and tears, and after receiving comments like "very interesting" from *DX* readers, the story was published again in *Lala*. I wanted to thank the readers, so it is with much enthusiasm and joy that I now write this Sidenote 6.

To all the readers of *DX*, thank you. And to readers of *Lala* and to manga lovers, I hope you will also enjoy this story.

Quarter 1
School annual leader,
the cultural festival,
and the enigmatic
new character

I received another
school commission
from the magazine
for three quarters,
and this is the first
one. Although I was
really happy about
winning the commis-
sion, I had doubts on
whether or not I had
what it takes and
so, it was with this
apprehension that
this work was
created.

so where can you
see these signs of
apprehension?
Please raise your
hand if you have the
question.

So, that's it.
It's like that
I myself felt that
this work did not
have the feeling of
apprehension. It
shows the author's
tension and the
work's tension are
inversely correlated
(my situation?)

WOULDN'T DO

?!

Using the extra space for a character introduction.

Yoshitane Toyotomi (2nd Year) Leo Type B
189CM

I originally intended to make Toyotomi a noisy character, but, after several reunites, he naturally became this monster-like character.

"Since it's an agricultural college, you picked the name Toyotomi!
Since Hideyoshi Toyotomi came from a farming background,
it really is a great idea..."

None. Hideyoshi Toyotomi succeeded
the Oda Nobunaga and unified Japan.

But I'm very sorry, I honestly
hadn't put that much thought
into it, the name just came to
me naturally (free associations).
When my managing editor found
out, she yelled: "You really
didn't have this all planned out!
That was a fluke!"

through many shops and finally
bought a country hat for
498 yen at "Daiso". The hat
costs 498 yen. After I got
home, I tried on the 498

Christmas and New Year are all in the holiday season, so there are many festivities

Happy New Year everyone!

Let's be happy!

MERRY CHRISTMAS

TAKING CARE

MORE IMPORTANT

Actually,
I never
planned
to spend
Christmas
together
with my
classmates

Under the
circumstances,
I can't help but
feel a little bit...
(I don't want
you to worry...)

Sorry

Is that all?
You're not
too worried?

OTHER
THAN KATOU
AND HASARA,
EVERYONE
HAS MAKE-
UP CLASSES
ON CHRIST-
MAS DAY!

Since it has been
said, why not turn it
into reality? I can find
some classmates who
have no plans for
Christmas to have
dinner.

Let's
celebrate!

YOU
GUYS
SURE ARE
EXCITED
BUT...

What?

WHY DOES
IT HAVE

WHAT?
WHAT IS

Who—
what do
I do?

Then, the only
person who
I can find for
Christmas is
Kahru...?

It would
be too awk-
ward to spend
Christmas
together...

Because
of that
incident.

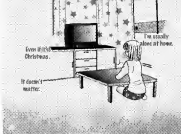

That incident

*"School gang leader
and Christmas"*

*I was so nervous when I
drew this chapter.
Every year I would go to
Naruse Etsuko's live concert
with my cousin, who
always says "Ever since I fell
in love with Naruse Etsuko,
my life is filled with nothing
but love, is there anything
wrong with that?" It has
become a habit, but this
year because of work I
couldn't go. My brother
replied me to go with
me. When he came back,
he said "Although Naruse
Etsuko is cool, the band
which supports her is also
cool." It made me so
nervous when he said that
with glittering eyes. Some
people call this feeling "my
all death." But, having a
ph is a very stupid thing
(it should be towards)*

Even if it's
Christmas.

It doesn't
matter.

I'm usually

School Gang
Leader And
The Ninja's
Repayment
Obligation

I had thought that Dear School Gang Leader would come to an end, but then it still continued. This is all thanks to everyone's support! (Actually, I had intended to end it at the 9th.) Because of the different content, I was listening to loud aggressive music like Metallica, Guns'n' Roses, Marilyn Manson and so on, while finishing the drafting of the chapter in one breath. The end product is this "The Ninja's Repayment Obligation".

Character Introduction

Kagari Matsuura
High School 3rd Year

Capricious Blood type A

Height 180cm

[Because I wanted to draw an eye patch, the second school to be challenged was decided to be "Eron".

Eron Matsuura → Eron boy →
Shobbb, and as though he knows everything

→ Italian man stereotypical

→ Doesn't speak Italian

→ Probably knew a little English

→ America → Cowboy

→ Cowboy Hat

„The character emerged from
interesting train of thoughts and

No matter how many times I've
said it I still have no say to:

Chapter 1

School nurse, teacher
and others

Starting from this
chapter, I will let my
father
break in the last bit of
business for the first
time. But, I have never
employed others to help
with the business,
equally, or help others
with it. I have been a
father only once, and
thus, didn't know what
to
tell my father to do.
In the end, I had to ask
my father.
"How should I tell you
what to do?"
"Just write whatever
you feel me to do on
the sheet," my father
replied.
I even had to borrow
the blue pencil paper
from my father.
Finally, I understood that
I really don't have much
experience.
I'll tell you, huh, don't
stop anymore.

My father
has been
a father for
a long time.

Huh
Huh
Huh

A thousand times
from I wonder, she
find a girl to spend

I will definitely
get hold of her
information!

My father
has been

Thank you readers for your support on the second volume of *maimai*.

This is a volume full of comedy and love, of understated underlying intentions and commotion.

Because of the other troupe members' characters, Yuure has been losing control of himself far more frequently what will this story turn out to be.

If you have any suggestions, comments or accusations (??) why is it that when Yuure loses control, he never succeeds, you can also write to the address
